Patron Prior to Engrossment-Senator Barker

Referred to Committee on Rehabilitation and Social Services

11 Be it enacted by the General Assembly of Virginia:

12 1. That §§ 16.1-281 and 22.1-3.4 of the Code of Virginia are amended and reenacted and that the 13 Code of Virginia is amended by adding a section numbered 63.2-900.3 as follows:

§ 16.1-281. Foster care plan.

A. In any case in which (i) a local board of social services places a child through an agreement with the parents or guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is given to a local board of social services or a child welfare agency, the local department of social services or child welfare agency shall prepare a foster care plan for such child, as described hereinafter. The individual family service plan developed by the family assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care plan if it meets the requirements of this section.

22 The representatives of such department or agency shall involve the child's parent(s) in the 23 development of the plan, except when parental rights have been terminated or the local department of 24 social services or child welfare agency has made diligent efforts to locate the parent(s) and such 25 parent(s) cannot be located, and any other person or persons standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child. The representatives of 26 such department or agency shall involve the child in the development of the plan, if such involvement is 27 28 consistent with the best interests of the child. In cases where either the parent(s) or child is not involved 29 in the development of the plan, the department or agency shall include in the plan a full description of 30 the reasons therefor.

The department or child welfare agency shall file the plan with the juvenile and domestic relations district court within 60 days following the transfer of custody or the board's placement of the child unless the court, for good cause shown, allows an extension of time, which shall not exceed an additional 60 days. However, a foster care plan shall be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior family or placed in an adoptive home within 60 days following transfer of custody to the board or agency or the board's placement of the child.

38 B. The foster care plan shall describe in writing (i) the programs, care, services and other support 39 which will be offered to the child and his parents and other prior custodians; (ii) the participation and conduct which will be sought from the child's parents and other prior custodians; (iii) the visitation and 40 41 other contacts which will be permitted between the child and his parents and other prior custodians, and 42 between the child and his siblings; (iv) the nature of the placement or placements which will be provided for the child; (v) for school-age children, the school placement of the child; (vi) for children 43 14 years of age and older, the child's needs and goals in the areas of counseling, education, housing, 44 employment, and money management skills development, along with specific independent living services 45 that will be provided to the child to help him reach these goals; and (vivii) where appropriate for children age 16 or over, the programs and services which will help the child prepare for the transition 46 47 **48** from foster care to independent living. If consistent with the child's health and safety, the plan shall be designed to support reasonable efforts which lead to the return of the child to his parents or other prior 49 50 custodians within the shortest practicable time which shall be specified in the plan. The child's health 51 and safety shall be the paramount concern of the court and the agency throughout the placement, case planning, service provision and review process. 52

If the department or child welfare agency concludes that it is not reasonably likely that the child can be returned to his prior family within a practicable time, consistent with the best interests of the child, in a separate section of the plan the department, child welfare agency or team shall (a) include a full description of the reasons for this conclusion; (b) provide information on the opportunities for placing the child with a relative or in an adoptive home; (c) design the plan to lead to the child's successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in an adoptive home within the shortest practicable time, and if neither of such placements is feasible; (d) explain why

As used in this section:

"Aggravated circumstances" means torture, chronic or severe abuse, or chronic or severe sexual abuse, if the victim of such conduct was a child of the parent or child with whom the parent resided at the time such conduct occurred, including the failure to protect such a child from such conduct, which conduct or failure to protect: (i) evinces a wanton or depraved indifference to human life, or (ii) has resulted in the death of such a child or in serious bodily injury to such a child.

A hearing shall be held for the 100 purpose of reviewing and approving the foster care plan. The hearing shall be held within 75 days of (i) the child's initial foster care placement, if the child was placed through an agreement between the 101 102 parents or guardians and the local department of social services or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; 103 104 (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to § 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6, or 16.1-278.8.
