# QUESTION

---

- **Considering the confidentiality requirements of *FERPA (Family, Educational Rights and Privacy Act)*, what is the “workaround” for schools and foster care agencies for sharing student-specific information with one another?**
-

# Cross-Systems Information-Sharing

---

## *Dual Focus*

- *Aggregate Data:*
    - NDE/DHHS State Ward Statistical Snapshot
  - *Student-Specific Information Sharing:*
    - “Fostering Connections” Liaisons Network
    - Nebraska’s Probation/DHHS/NCJIS Task Force
    - Academic Advancement Plan (AAP) System
-

# State Ward Statistical Snapshot

# QUESTION

---

- When Nebraska's *State Action Plan* for cross-system information sharing and analysis includes both aggregate data as well as student-specific information, how do you manage to avoid "getting caught in the weeds" and maintain the "big picture" context within the large amount of data that is collected?
